Comment Sheet

APPLICATION SERIAL NUMBER 10/517,687

DOES NOT COMPLY WITH THE SEQUENCE RULES. See reasons below.

Application discloses peptide sequences that are not listed in an accompanying paper copy of sequences (See the Amended Claims, Claim 1, page 2; and Claim 63, pages 9-10: see also the Specification, pages 4, line 30; 14, line 6; 32, line 4; and 43, line 16, as well as Table 4 on page 62).

The application is lacking a declaration that there is a Computer Readable Form (CRF) of the peptide sequences disclosed and claimed; nor is there an oath declaring that the printed paper sequences and the computer readable sequences are the same.
